

IvyConnect Series

Masterclass on Art of Storytelling

📅 21 Sept

📶 Mode: Online

Mr Sneh Vaswani
Co-Founder and CEO of Miko

Mr Harshit Tahiliani
Associate at IvyCap Ventures

Connect Series - Masterclass on the Art of Startup Storytelling with E-Cell IIM Kozhikode and IIMK LIVE

IvyCamp in collaboration with IIM Kozhikode hosted a masterclass on "The Art of Startup Storytelling". The session included pitches from selected startups and live feedback on how to improve their startup story.

Value for entrepreneurs:

- Opportunity for one-on-one feedback from an IIT Founder and Investment professional
- Learn about what customers and investors want to hear
- Opportunities to connect and get feedback post-event

The feedback was provided by Mr. Sneh Vaswani, Co-Founder and CEO at Miko and an Alumnus of IIT Bombay, and Mr. Harshit Tahiliani, Associate at IvyCap Ventures Advisors Pvt. Ltd.

Value for Entrepreneurs

Opportunity for 1-on-1 feedback
from an IIT Alumni Founder and
Investment professional

Learn about what
customers and investors
want to hear

Opportunities to
connect and get
feedback post the event

Mr. Sneh Vaswani

Co-Founder &
CEO of Miko

As Miko's CEO, Sneh steers Miko's vision for transforming the technology and learning landscapes. In addition to leading a global team of engineers, psychologists, designers, and mathematicians from the U.S and India, he oversees a thriving global business of creating a product, Miko, which is a robot that offers emotionally intelligent solutions to young kids. Sneh had also led multidisciplinary teams to victory at robotics competitions around the globe. A B.Tech and M.Tech graduate from the Indian Institute of Technology, Bombay draws this passion from robotics.
