# STRATEGY SLAUGHTERHOUSE

## Exclusive Inter-Institute Industry Leading Practices Case Study Challenge

Registrations Closed

### About the Challenge

Strategy Slaughterhouse is a challenge only for the champions.

Today's startups face a multitude of challenges and they are always on the lookout for fresh perspectives and practical ideas to help them solve real-world problems.

In Strategy Slaughterhouse, you work with your team to deep-dive into a specific industry. Read carefully through the sector's description, its key particulars, and the key areas of focus for them. Once you understand the sector and its key focus areas - you begin your research on the innovative leading practices in the space amongst various competitors, nationally and internationally so that you deep dive and come up with practical and innovative ideas that can help the sector in question. There was never a better way to influence the world around you!

You can win prizes totaling INR 25,000 and explore live project and pitching opportunities. Remember that this is an exclusive inter-institute challenge. Therefore, you are not just vying against teams within your own institute; it is a chance for you to outperform teams from other institutes.

### Challenge Overview

Identify your institute and allocated sector below
